SEPT 2015

PRESIDENTIAL SPLATTER.....

Greetings from the Radio Shack of WA0EBZ

I recently overheard a conversation, at breakfast last Saturday, between our clubs program chairman and a fellow member discussing the program for this coming month. Boy did I get excited when I heard Raspberry Pie. I didn't know that we were going to have treats again to go along with coffee. For those of you that can't make this month club meeting, I am including a simple recipe so you can bake your own pie and enjoy it as much as we will at the club meeting.

Ingredients:

1 quart fresh raspberries ; 1 1/4 cups white sugar ; 8 teaspoons cornstarch 2 tablespoons quick-cooking tapioca ; 6 tablespoons water ; 4 tablespoons butter; 1 recipe pastry for a 9 inch double crust pie

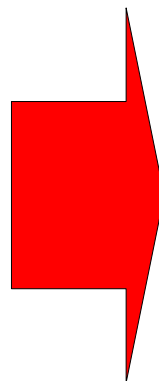

Directions: Mix together raspberries, sugar, cornstarch, minute tapioca and water. Mix and let sit while you make your pie crust. (See double crust recipes on this site if you do not have a recipe). Put berries in bottom crust, and put 4 - 1 tablespoon pats of butter on top. Put on top crust and crimp edges. Make slits in the crust to allow the steam to escape. Bake at 425 degrees F (220 degrees C) for 15 minutes. Reduce heat to 350 degrees F (175 degrees C) and bake for 45 minutes.

Being so excited over the Raspberry Pie, I didn't hear what the topic of the program was going to be, so I guess you will just have to come and find out.

73, Wayne (wa0ebz)
